

INVESTMENT PROSPECTUS

[STATUS: NATIONAL LEVEL | INVESTMENT ROUND OPEN]

CARDINAL IS NOT A STUDENT CLUB

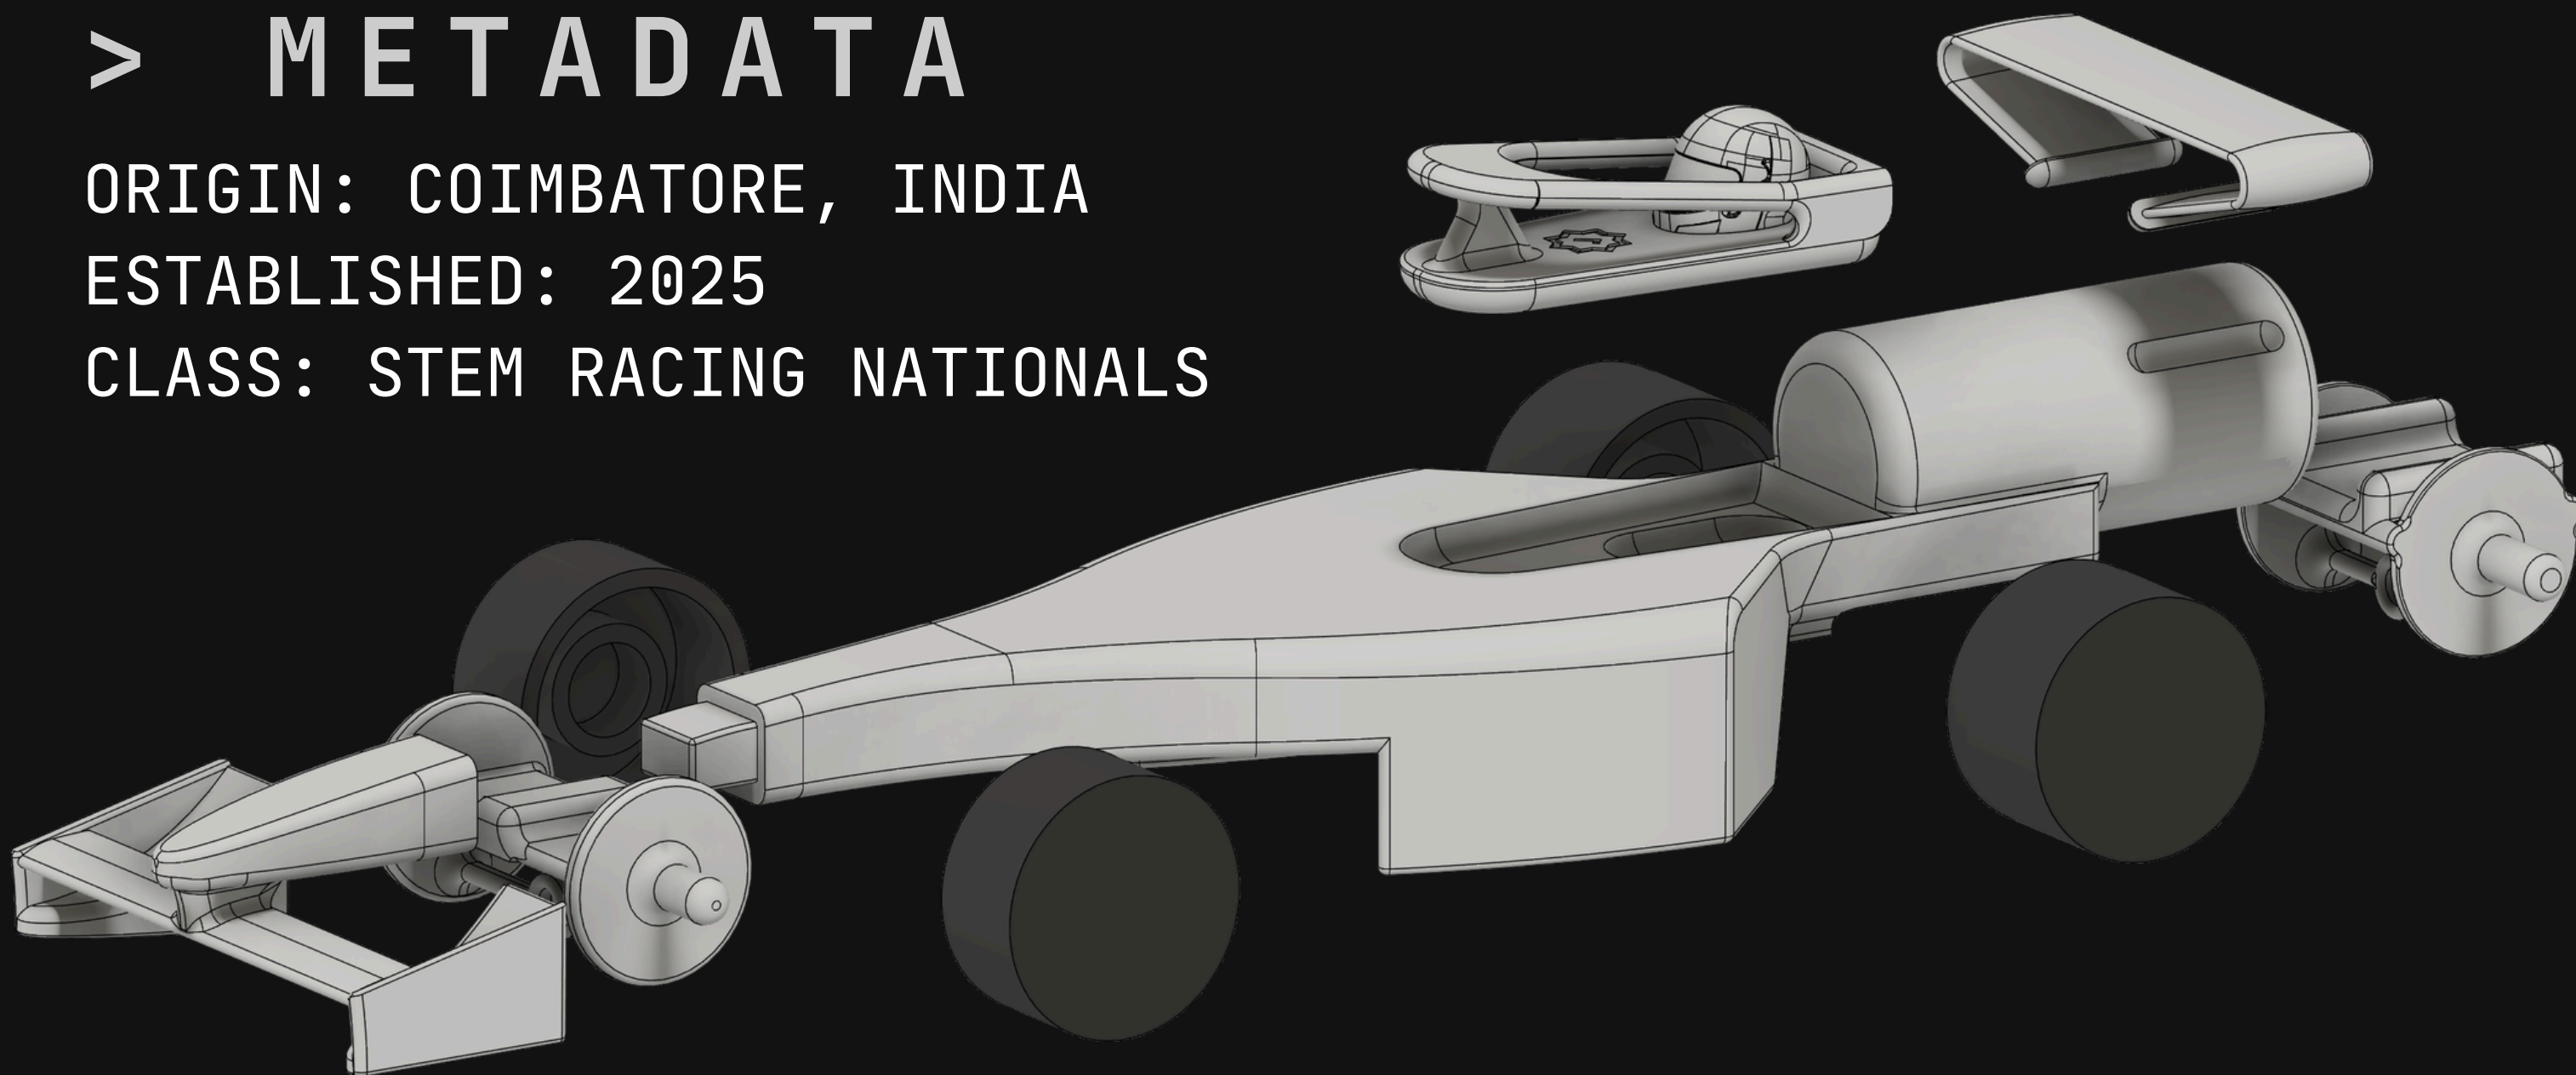

We are a pre-professional engineering syndicate and the reigning 1st Place team from the All-India STEM Racing India National Qualifiers, currently competing on the final national stage. We operate at the intersection of precision engineering, high-velocity aerodynamics, premium aesthetics, and aggressive brand strategy.

> METADATA

ORIGIN: COIMBATORE, INDIA

ESTABLISHED: 2025

CLASS: STEM RACING NATIONALS

THE ARENA

STUDENTS:
20,000,000+

COUNTRIES:
40+

SCHOOLS:
28,000

ECOSYSTEM: WORLD'S LARGEST STEM COMPETITION.
SUPPORTED BY: FORMULA 1®.

Your brand is not just on a miniature chassis; it is on a **global stage**. Immediate brand association with **Elite Performance, Precision Craftsmanship, and Technological Superiority**. We put your brand in front of *high-net-worth* corporate judges, thousands of *tech-literate* students, and *global motorsport* media.

THE ASSET

It's not just a 50g chassis traveling at 80km/h.
Our Asset is a *holistic premium* brand experience.

Your logo integrated into:

High-visibility aerodynamic surfaces.
Our physical Pit Display.
The official apparel of our 4-man
engineering deployment team.

THE AUDIENCE

You are not sponsoring a high school project; you are acquiring high-leverage brand placement within the world's largest STEM and motorsport pipeline.

By integrating with Cardinal, your brand captures three *distinct* demographic vectors **simultaneously**:

- **01. The Talent (Gen-Z & Early Adopters)**

Direct exposure to thousands of hyper-engaged, tech-literate students across the Indian STEM racing ecosystem. This is a captive audience of early adopters who associate our track velocity directly with your brand identity.

- **02. The Authority (Corporate & Engineering)**

Your logo sits on our chassis as we are audited by high-net-worth corporate judges, aerospace engineers, and university scouts during the National Championship.

- **03. The Digital Echo**

Every 1.4-second race, every pit-display interaction, and every engineering presentation is recorded, vlog-documented, and amplified across school networks and motorsport social channels.

WHY US?

We are good
at what we
do.

Overall Champions
& Winners of the
Sustainability Award

STEM Racing India
National Qualifiers

APEX INTEGRATION

TITLE SPONSOR :: THE ACQUISITION

₹ 1,50,000 +

(or Highest Bidder)

This is a complete enterprise takeover.

You do not just sponsor the chassis; you own the identity of the National deployment.

> ASSET ALLOCATION

- The Naming Rights: Official team designation becomes "CARDINAL x [YOUR BRAND]".
- The Prime Real Estate: Exclusive, dominant branding on the Nose Cone, Rear Wing, and Halo.
- The Physical Dominance: Primary center-chest logo placement on all 4 Cardinal National Team Uniforms and full branding on the Pit Display.
- The Media Monopoly: Unrestricted rights to utilize Cardinal's CAD renders, track-telemetry, and 4-man engineering unit for your internal corporate CSR reports and public B2C marketing campaigns.
- **Interactive Experience Zone: Exclusive access to a dedicated iPad display within the National Pit Display, allowing visitors to engage directly with the Title Sponsor's products, services, career opportunities, and brand story.**

PARTNERSHIP TIERS

TIER 01 :: PRINCIPAL PARTNER

₹ 70,000

> ASSET ALLOCATION

- Chassis: High-visibility logo placement on both Primary Sidepods (the largest flat aerodynamic surface).
- Apparel: Prominent upper-sleeve and upper-back placement on all Team Uniforms.
- Physical: Dedicated high-fidelity brand integration within the National Pit Display architecture.
- Digital: Featured corporate logo across all three mandated portfolios (Enterprise, Engineering, Project Management).

TIER 02 :: OFFICIAL PARTNER

₹ 50,000

> ASSET ALLOCATION

- Chassis: Secondary logo placement on the Front Wing outwash elements and Rear Wing End-Plates.
- Apparel: Standard logo placement on the Team Uniforms.
- Physical: Standard logo placement on the primary sponsor grid of the Pit Display.
- Digital: Acknowledgment in the National Engineering Presentation to the judges.

TIER 03 :: SUPPORT PARTNER

₹ 25,000

> ASSET ALLOCATION

- Chassis: Logo placement on the lower chassis.
- Physical: Inclusion on the secondary sponsor wall of the Pit Display.
- Digital: Inclusion in the dedicated Sponsor Roster within the Enterprise Portfolio and social media deployments.

VALUE-IN-KIND INTEGRATIONS

Cardinal requires enterprise-grade hardware and operational mobility to execute our Open Nationals deployment. These bespoke tiers bypass raw capital in exchange for the direct tools and logistics of our execution.

TECHNOLOGY PARTNER

Software Licenses, Hardware Assets, or Direct Manufacturing

- The Workflow Integration: We become your apex use-case study. We document our exact deployment of your technology to solve complex aerospace and aerodynamic constraints.
- The B2B Output: We provide your marketing department with raw, high-fidelity engineering portfolios, CFD renders, and telemetry data proving how your asset accelerates next-gen hardware design.
- The Visibility: Premium branding alongside Tier 01 on all digital and physical assets, explicitly labeled as the "Official Technology Partner."

LOGISTICS PARTNER

Operational Transit and Deployment Subsidization

Reserved for travel, transit, and mobility brands facilitating the physical deployment of our 4-man engineering unit and physical pit architecture to the National Championship.

- The Mobility Play: You own the narrative of our journey. Direct alignment with a high-performance youth enterprise moving across the country.
- The Media Integration: Exclusive "Powered By" branding integrated directly into all trackside media, team travel vlogs, and official transit documentation.
- The Visibility: Dedicated logo placement on Cardinal deployment apparel (luggage, transit jackets) and secondary placement on the physical National Pit Display.
